

4th Grade Team Weekly Newsletter

Week of Sept 7 - 13

Hello everyone!

Our opening game was great! The boys won and did a good job at holding the other team to make a final score of 6-0! As you all know we don't have a game now until Sept.13 but we do have a couple of events coming up to let you know about. But before I get into that I want to make sure everyone know that the Saturday practice time we've been given is 8am-10am (starting Sept 12 - not this Saturday, enjoy your 4 days off!).

The first event is our mandatory annual Demon field trip to the Astros game on September 12th when they take on the Manchester Memorial Crusaders.

- All players must arrive at Hackler gymnasium(at Pinkerton Academy) at 12:00 wearing their **RED** game jersey's once we have accountability of all our players we will walk them by team across the street and file them into the stadium. This is a great opportunity for the Demons to show their support to Pinkerton and it also allows them to watch former Demon players play at the next level.
- All players and coaches get in for free but parents have to pay the admission price (I think it's \$3.00).
- All players must stay in the bleachers they will not be allowed to play on the sides of the bleachers or under them, any player who has to be spoken to will be disciplined by their coaches with the loss of playing time.

The second event is a fun night out. The demons are organizing an outing to see UNH play against Villanova on October 10th. The details haven't been finalized yet but the tickets will be between \$15-20 apiece and I believe that includes round trip bussing to the event. I'll be getting more information on this in the next few days if anyone is interested but I wanted to make sure I let everyone know about it as early as possible.

Volunteers: So I took a week off from bugging people about game volunteering but don't worry I haven't forgotten who I haven't talk to yet, you'll be seeing me soon☺. But seriously, I've asked everyone to volunteer for an open slot for 3 games to start with. Whatever positions are left after that will be randomly assigned.

The upcoming week's water schedule is:

Thurs, Sept-10	Curry (thx Lori!)	Sun, Sept 13	Valentine

Don't forget! Tagging Days: Football tagging days are Sept 19 and Sept 26

For those of you who do not know what "tagging" is (I had no clue last year) it's when your child is assigned a spot somewhere in Derry (usually Shaws, Walmart, Dunkin Donuts etc) and stands there for 1-2 hours with an official can and asks for donations to the Derry Demons. THIS IS MANDATORY!

Note From The Coach:

Well, it wasn't pretty but we got our first win this past weekend. The coaching staff firmly believes it was largely due to our superior conditioning. In the fourth quarter when the game was on the line, our boys stepped up and the other team looked tired. This is a testament to THEIR hard work during practices and they should be congratulated on a great job.

Thank you to all of our volunteers that make the season a success for our boys.

We did have some other issues on Sunday, including but not limited to, substitution of players. The coaching staff had a meeting Monday night to address these issues and we hope to have this system improved for next weekend vs. Bedford. We appreciate your patience with this.

Please enjoy the long weekend off and please have the boys ready to go on Tuesday for a tough night of practice. Study those play books!
