

Derry Demons Div. 12

Week of August 24 - 30

Coaches notes:

I would just like to say that all the girls are going above and beyond at practice! We have learned 30 cheers so far and are working hard to perfect are half-time routine. Please give them a big hand this weekend at there 1st game of this cheering season. They have all deserve it.

Sincerely, Coaches Erin, Renee, and Tanyia

Some Announcements:

** If any items that you have ordered for your child are still missing any of the items you had ordered please let the team mom Mary know so she can help you locate them from Bill.*

** This year we will be ordering cheer curls for the girls hair. This makes getting there hair ready for competition a lot easier, no one enjoys getting up early and curling hair in hot irons and rollers to have them fall out before comp. this will eliminates that hassle. The cost for cheerleaders is \$17.00 . Hair will be matched before ordered.*

** I would also like to thank all the girls who had tagged this past weekend. I know it was a real hot day but all your help really is greatly appreciated. If your child was unable to tag this past weekend, there is another tag date set for Saturday Aug 29, or you can opt. out of tagging with a donation fee of \$25.00. Please let me or any of the coaches know if you are choosing to opt. out.*

*Practice Schedule for this week is :
Mon - Thursday 5:30pm-8:00pm*

Water duty this week:

Wed: Rose Lamour

Thurs: Alyssa Ronca

First Game: Is set for Sunday August 30th, so far this is the only info I have available. We will notify you when we have more info.

Just a reminder for cheerleaders:

All girls should be practicing there cheers and half-time routine in front of a mirror. Making sure you are always smiling and performing all your moves correctly. Doing this will benefit not only you as a cheerleader but your whole team.

Any questions or concerns you may contact me at:
