Junior Pee Wee Cheer Newsletter

Week Thirteen

October 26 – November 1

HEY...HOW ABOUT THOSE DEMON CHEERLEADERS?!!! Every Demon team placed at the State Competition in Durham yesterday! A very special shout out to the Division 10 girls who took 3rd place out of 11 teams! As the first team on the mat, you set the bar very high for other teams to follow. As a 50/50 runner, I got to hear many compliments from the surrounding towns about your performance, so you should all be proud! **Great job** to all of the Coaches for preparing the girls for this Competition as well!

PRACTICE: We are having only two practices this week Monday and Tuesday night. Tuesday will be the final practice for the Mascots, and we will be having a “Pajama Party” that night. Please have the girls come to practice in their pajamas! Just make sure they are comfortable enough to still perform their routine stunts and tumbling.

Monday, October 26th, 6:00-8:00PM AT SRS

Tuesday, October 27th, 6:00-8:00PM AT SRS - **(MASCOTS 6:00-8:00PM) PAJAMA PARTY**

HARVEST CHEER COMP(10/31/09): This will be a very hectic week for the Demons, as we prepare for our first Harvest Cheer Competition. As I am sure you can tell it takes a monumental effort to pull off a successful Competition. In an effort to try and push for more volunteers, I have attached the proposed Order of Appearance for our competition. If you can give more time, knowing what time your daughter is going on, it will be most appreciated! Please let me know ASAP as the board is going to try and work out a volunteer log, so we can be most efficient.

This Comp is broken out into two sessions; our girls are scheduled to go on at 9:50AM. The Team pictures, stretching and warm-ups start at 9:00AM. We should meet as a team at West Running Brook at **8:00AM** as always this will insure the girls all are in full uniform with a high ponytail including Comp Bow, and Comp sneakers. Where parking is an issue, as the host we are asking parents to park at Derry Village School, there is a footpath to West Running Brook from there.

The whole first session is scheduled to conclude at approximately 11:30AM.

REGIONAL COMP(11/21/09): Because we placed at the State Comp, we are invited to compete at the XL Center in Hartford, CT for the Regional Comp on November 21st. We will need to have a parent meeting to discuss planning and arrangements, as well as the possibility of National Competition. I will schedule this for Tuesday night, October 27th at 7:30PM at South Range. PLEASE do your best to attend.

If you are unable to attend, or have any other questions or concerns give me a buzz, thanks.
