Junior Pee Wee Cheer Newsletter

Week Fourteen

November 2 – November 8

I know at this point I am repeating myself, but once again a HUGE THANK YOU to all of the people that helped out at the Demons 1st Harvest Cheer Competition. As I said in my prior emails it took input and assistance from a variety of sources to make this thing come together as well as it did, and while it may not have always run as smooth as desired at times, there is no question it was a big success. And to continue praise for this team specifically, at one point during the Competition, we had a parent at EVERY station to volunteer. That was a great representation of the Division 10 parent's commitment to the Demons. You all deserve a hand for your efforts!

PRACTICE: While the mascots are done practicing, there is still practice for the cheerleaders. Hopefully we will be able to maintain good health in order to be competitive at the Londonderry Competition and Regional Comp.

Tuesday, November 3rd, 6:00-8:00PM AT SRS

Thursday, November 5th, 6:00-8:00PM AT SRS

LONDONDERRY COMP(11/7/09): We are going to be competing in Londonderry against many of the same teams we have seen over the last few Competitions. I will need to finalize the paperwork, medical release, and photo order forms this week. I will be sending an email out later in the week for our Order of Appearance and meeting locations and times.

GENERAL MEETING(11/9/09): There is a general meeting at the Marion Gerrish center at 39 West Broadway in Derry from 6:30-8:00PM. This is a very important meeting as it creates the 2010 Demons Board! Please come and be part of the Demons future. This is also an important time to get any questions you might have answered.

REGIONAL COMP(11/21/09): Now that we are done with the Harvest Cheer Comp, our focus will be shifting to the Regional Comp at the XL Center in Hartford, CT. I will be sending information for reservations, tagging, and any other fundraisers that might help with the travel fund. As we discussed in the meeting last week, the intentions are to book a block of rooms, get the reservations for the families, then pass the information to the parents to switch the reservation over. The reason for this is to have all the cheerleaders together the night before. Not only for the girls to have fun together, but also to make it easier as we head out to the Competition the next morning.

I SHOULD HAVE UPDATES THIS WEEK!

If you have any other questions or concerns give me a buzz!
