Junior Pee Wee Cheer Newsletter

Week Fifteen

November 9 – November 15

Another fine outing by the Demons Division 10 cheer girls at the Londonderry Competition. As always, I would have given you first place, but I am biased! I have to give credit for a very nice adjustment by the coaches and team in the absence of one of our flyers. There were many compliments on the routine, even though (I know) it required some last second tweaking to make it work. We still have a little work ahead to fine tune as we prepare for Regional Comp, so please make sure you are getting your rest and practicing, practicing, practicing!

PRACTICE: Speaking of practice we only have 4 practices left until Regionals, so please do your best to attend!

Monday, November 9th, 6:00-8:00PM **AT HOOD**

Thursday, November 12th, 6:00-8:00PM **AT SRS** **Regional Ticket pre-buy money due!**

GENERAL MEETING(11/9/09): TONIGHT! Did you have a great season? Did you see things that could use improvement? Would you like to be more involved with the Demons organization? There is a general meeting at the Marion Gerrish center at 39 West Broadway in Derry from 6:30-8:00PM. This is a very important meeting as it creates the 2010 Demons Board! Please come and be part of the Demons future.

DEMONS HARVEST FESTIVAL(11/13/09): The Demons are putting on a end of season celebration at Humphrey Field from 6:00-9:00PM. A chance for the kids to get together, let loose and have fun, and celebrate a successful season of hard work and dedication to a great organization. There will be games, snacks and beverages. Hope to see you all there!

REGIONAL COMP(11/21/09): The Regional Comp is being held at the XL Center in Hartford, CT. I have booked 18 rooms for this team on my credit card. Once I have a reservation number (hopefully Tuesday 11/10) for each of you, I will release the information to you via email to transfer the reservation to your own card. ALSO, there is some confusion on the regional competition order of appearance. As with the football games, there is a TENTATIVE schedule. I would prefer to wait until we have a final copy to release it, so if you go by word of mouth – you may be misinformed!

****Lunch Orders for Regional Competition:** This will be handled like the state competition. The girls will be with the coaches for pretty much the entire time at Regionals with an allotted time to eat. It would be greatly appreciated if you could get me their lunch choice and amount due this week. Also, if you chose the pre-buy ticket option, that money will be due by **Thursday 11/12/09**. Those tickets were \$15 each.

TAGGING(11/14/09 & 11/15/09): Tagging for the travel fund started last weekend, I

know some of you also tagged this past Sunday. You picked a great weather weekend! If you would like to tag next weekend, Dawn Bibeau has a sign up sheet for the dates listed above. It is on a first come first serve basis for time and location, so please let us know ASAP when you would be available, thanks.

If you have any other questions or concerns give me a buzz!
