## *Junior Pee Wee Cheer Newsletter*

### *Week Five*

August 31 – September 6

First off – WOW! The half time routine was **A-W-E-S-O-M-E!** The girls definitely kept the crowd into the game. It's always nice to start out with a win, so congrats to the Demon Boys for a 6-0 win over a tough Crusaders team as well. It was great to have every cheerleader at the game. These games give us the opportunity to get an added practice in which will pay off when we head off for Competition! Keep up the great work!

**COMPETITION:** I have participation and medical release forms I need each parent to sign for the Bedford Competition scheduled for Saturday, October 17<sup>th</sup>. I will provide more information as the date nears, but the signatures are critical ASAP!

**PRACTICE:** As a reminder, with school starting we go down to a 3 night practice schedule – shown below – I hope all the girls are excited to get back to school. I know it can get very difficult to juggle the life of an active family, but please keep in mind academics are a priority. The league supports Academic Achievement by rewarding good grades with certificates and scholarships!
